

TRANSPLANT FORUM

CLINIQUES UNIVERSITAIRES SAINT-LUC / UNIVERSITÉ CATHOLIQUE DE LOUVAIN

Centre de Transplantation

Academic Year 2007 - 2008

Salle de la Verrière - (main entrance - level 0) : 18.00 - 19.30 hrs

MONDAY 10 SEPTEMBER 2007

Thoracic and pediatric transplantation

MODERATORS : ETIENNE SOKAL AND PATRICK EVRARD

RAYMOND REDING (UCL, Brussels)

Pediatric retransplantation : UCL experience.

MATHIEU VAN STEENBERGHE, ROSE-MARIE GOEBBELS, PIERRE GIANELLO, DENIS DUFRANE (UCL, Brussels)

Transplantation of composite stem cells and collagen matrix to reconstruct muscular defect.

FREDERIC CLINCKART, PIERRE BULPA, PATRICK EVRARD (UCL, Mont Godinne)

Safety and tolerability of Basilixmab versus ATG in lung transplantation.

ALAIN PONCELET (UCL, Brussels)

Allosensitization in "bridge to transplant" Novacor LVAD patients : analysis of long-term outcomes with regard to acute rejection and chronic allograft vasculopathy.

MONDAY 17 DECEMBER 2007

Organ Donation * (accreditation cat.6 ethics)

MODERATORS : PHILIPPE HANTSON AND JAN LERUT

BEA PELLERIAUX, DENIS DUFRANE (UCL, Brussels)

Procedures to improve NHB donation at Emergencies and Intensive Care Unit : a prospective experience in 3 independent centres.

PAOLO MUIESAN (Kings College, London, UK)

Non-heart beating donation and liver transplantation : actual status.

PROF. JEAN MORELLE LECTURE :

STEVEN LAUREYS (ULG, Liège)

Dead and boundaries of consciousness.

MONDAY 17 MARCH 2008

KUL - UCL FORUM

MODERATORS : JACQUES PIRENNE AND MICHEL MOURAD

JEREMIE GRAS (UCL, Brussels)

Immunologic monitoring using cytokines in pediatric and adult liver transplant recipients.

DENIS DUFRANE, ROSE-MARIE GOEBBELS, PIERRE GIANELLO (UCL, Brussels)

Islet encapsulation to cure type 1 diabetes : state of the art and perspectives.

JACQUES PIRENNE (KUL - B)

Intestinal transplantation.

WILLY COOSEMANS (KUL - B)

Kidney-pancreas transplantation : single center results and surgical aspects.

MONDAY 16 JUNE 2008

Kidney Transplantation

MODERATORS : YVES PIRSON AND PIERRE GIANELLO

KARL MARTIN WISSING (ULB, Brussels)

HLA incompatibility and cold ischemia as potentially modifiable risk factors of acute rejection after kidney transplantation : implications for optimisation of allocation algorithms.

ERWIN DE BUIJZER (NTS Leiden, NL)

Actual status of cross-over kidney transplantation in the Netherlands.

PROF. GUY ALEXANDRE LECTURE :

PRZEMYSŁAW PISARSKI (Freiburg, D)

ABO incompatible kidney transplantation : a European multicenter experience.

Sponsored by
Codali, Novartis, Roche,
Astellas, Fresenius Biotech
et Wyeth

Accreditation has been asked.
